

# April 2011

## Notes regarding Ashes plots

Plots with a number are vacant

Blue numbers indicate that a large marker stone may be used (max size 18" x 12" or 45cm x 30cm)

Orange numbers indicate that a small stone may be used (max size 12" x 9" or 30cm x 22cm)

Two plots are unmarked and it is not certain who is interred there. These plots may be re-used at the discretion of the Rector.

Green text indicates plots scheduled for use AS AT THE DATE ABOVE

Lilley and Elliott are marked by stone flower holders.
